CONGRESSMAN DAVID WU HOSTS PANEL DISCUSSION ON THE ENVIRONMENT

Washington, DC – Congressman David Wu tonight will host a panel discussion to address environmental legislation and other key issues. The forum will be an opportunity for Congressman Wu to update area citizens about the environmental issues before Congress and to hear about potential challenges in Oregon.

“Talking with Oregonians is an important part of the legislative process,” said Congressman Wu. “I rely on Oregonians to help to develop common sense ways to address environmental challenges.”

Congressman Wu’s environmental panel will be tonight, February 20, 7:00 p.m. – 8:30 p.m. at Lewis and Clark College, Templeton Student Center auditorium.

Other panelists include representatives from Oregon Natural Resources Council, Hanford Action, American Lands, Oregon Natural Desert Association, Sierra Club, Oregon Trout, Willamette Riverkeeper and OSPIRG.
